

# Science and Policy Dialogue between LAC countries and ICPerMed

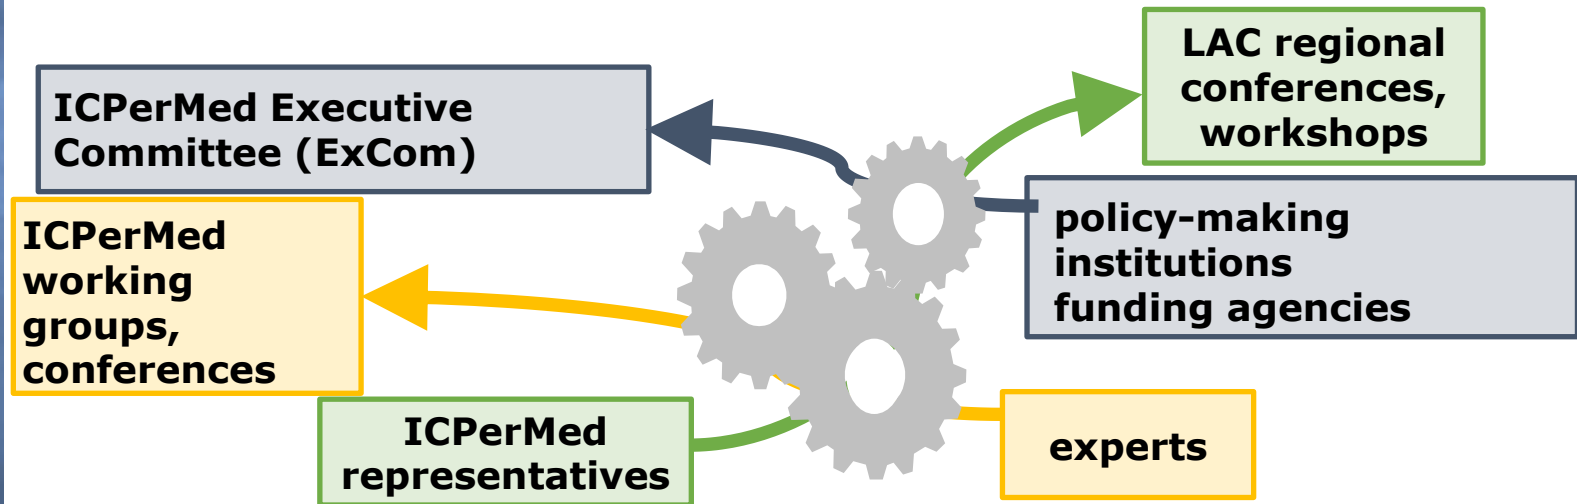

**Laura de la Cruz**  
Scientific Officer  
*DLR-Project Management Agency*

**December 12, 2019,**  
**Montevideo**

EULAC-PerMed has been funded by the European Union's Horizon 2020 Research and Innovation Programme under Grant Agreement (GA) No 825173

# Explore paths for cooperation...

...contribute to the

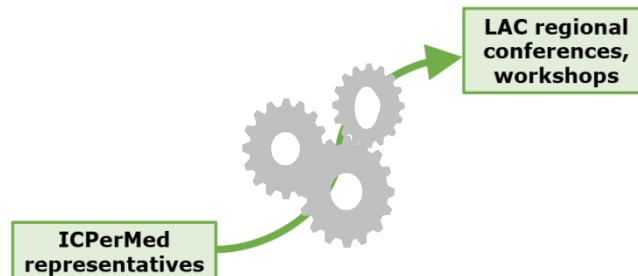

## **Implementation of the EU-LAC Common Research Area**

Alignment of activities with EU-LAC SOM

# Possibilities to connect through EULAC PerMed

## 1. Explore the alignment of LAC activities with ICPerMed

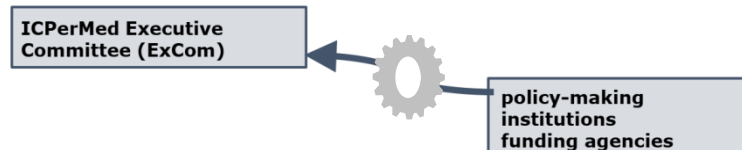

- Involvement of ICPerMed delegates in regional LAC activities on PM
- Exchange about PM-relevant conferences, workshops in LAC
- Use EULAC PerMed to invite ICPerMed delegates to LAC events
- Contact us to look at topics of interest

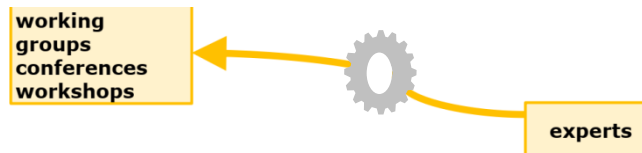

# Possibilities to connect through EULAC PerMed

## 2. Implementation of a programme for involvement of LAC stakeholders in ICPeMed activities

- LAC funding organisations as observers to ICPeMed ExCom
  - o in touch with seven research funding organisations
  - o Interested funding organisations please reach out

- LAC experts participate in ICPeMed events;
  - o Experts must be mandated by eligible institutions, that is research funding organisations

# Upcoming relevant events in 2020

time	event
Dec 2019	<b>Bilateral meetings with ICPeMed</b>
Jan/Feb 2020	<i>Introductory Webinar to ICPeMed</i>
First week of May 2020	<b>ICPeMed Stockholm Executive Committee Meeting</b>
Aug/Sept 2020	<i>Introductory Webinar to ICPeMed</i>
13-16 Oct 2020	<b>ICPeMed Paris Conference incl. Executive Committee (open registration, but separate nomination process to access EULAC PerMed travel funds)</b>

# Contribution to the implementation of the EU-LAC Common Research Area

## Draft input papers for SOM meetings

- One input paper planned for each SOM
- No input paper, yet, as there was no SOM in 2019

Questions?

Thank you!
